><p>Season 2

Episode 1: The fall.

A nice warm early Autumn day at Vanilla's day care, Sonic, Shadow, Silver, Amy, Rouge, Knuckles, Tikal, Julie-su, Blaze and Espio were enjoying the colorful leaves .

They boys were tossing the leaves in their air and watching them fall, while Rouge snuck up on Shadow and pushed him into the leaf pile and her jumping on top of him.

Tikal and Julie-su were with amy and they were sorting out the leaves by colors.

" I like this one!" little Amy called holding up a red leaf. the girl echidna were impressed with her choice.

" It looks like Sonic!" Amy said and she held the Leaf close to her. Julie and Tikal looked at each other , it couldn't be helped that Amy loved Sonic.

Meanwhile Espio and Blaze were on the play fort, the lavender kitten looked over the bridged, looking down she started to feel dizzy, she was so far up.

" I..I don't like it up here" she said. Espio heard her and started to walk over.

" If you want I can help you get..."

" OW!" Blaze screamed, Silver wasn't far but when he looked Blaze landed on the ground on behind, her knee appears to be scraped and Espio appeared over the bridge looking down.

" Blaze!" Silver cried and ran to her side, he helped her to her feet, the kitten lips began to quiver and she started to cry.

" IM HURT!" she cried. Silver looked up to Espio.

" You're in big trouble" he called " I'm telling Vanilla on you!"and with that the grey hedgehog walked Blaze over to the adult rabbit.

five minutes latter Espio was taken back inside and placed on a stool in the corner. the rest of the group was brought back inside. Silver stayed by Blaze's side not letting any one go near her. Sonic on the other hand was trying to get out of playing **_house_** with amy for she would make him the daddy and her the ommy in all of the games.

" Um... is it just me or do you think Espio didn't do it?" Knuckles asked Tikal.

" I don't know" she responded " I was with Amy and Julie to see what happened"

" That because he didn't" Blaze spoke startling the two " you see what really happened was..."

" Blaze there you are" Silver spoke, he took her by the hand and pulled her away " I don't want you to get hurt let go read a book"

The kids watched as silver had blaze sit with im by the book shelf. while the hedgehog looked for a book the little kitten wasn't interested in it.

" Maybe Espio pushed Blaze due to pretending to being a dragon" Shadow suggested " I heard he complains about Silver making him the dragon when they play on the castle" he pointed to the play castle outside in the yard.

" I don't think so Shadow" Tikal told him " Espio is to nice to do that, besides he's my best friend"

" Not all best friends know each other well" Rouge spoke after she gave Shadow's shoulders a tap from behind " look at Shadow and I, were best friends since we were babies and there are stuff we don't know"

"But you guys are next door neighbors" Julie-su pointed out " you guys even got toilet trained together!"

Both Shadow and Rouge's cheeks went red and they pulled away. The 5 kids looked in the corner where Espio was placed, he was trying not to cry , he was wiping his eyes and nose with his arms.

Blaze saw him as well, it wasn't fair, the cat didn't get a chance to explain what happened and Silver wasn't let her.

Making up her mind she got to her feet and walked away. Silver tried to stop her by gripping her dress but the lavender feline yanked her dress out of his hands and marched over to Vanilla.

" Miss Vanilla" she called getting her attention " there's something I gotta tell you.." she hid her hands behind her back.

" Of course Blaze" the rabbit kneeled down to her " what is it?"

" Espio didn't push me off" she told her " I fell, what happened was Espio tripped and knocked me off " she told her " you see it was just an accident" she got teary eyed " I was crying that I didn't get the chance to explain and now Espio is being punished and ..." she dove into the rabbits arms " I'm sorry miss Vanilla"

" Oh there, there" The rabbit told her " it's ok , you not in trouble" she pulled her away " we just had a misunderstanding thats all".

She got to her feet and walked over to Espio " and I owe you an apology" she said.

the little chameleon smile and hopped off the stool. Blaze walked over she hid her hands behind her and looked to the floor.

" Espio I'm sorry" she told him.

" It's ok" he replied " I should be careful when on the play fort next time".

" Wanna play?" the kitten asked.

" Sure" the chameleon replied " for I'm a scary dragon who out to capture princesses" he pretended by growling and roaring, Blaze giggled and started to run.

" No not a dragon!" the kitten played along as Espio chased after her in the playroom.
